Full visitation restrictions in place at North Haven Manor in Lewisporte

Central Health wishes to advise that **full visitation** restrictions are currently in place at North Haven Manor in Lewisporte due to the presence of Gastro-like illness.

The needs of residents are being met through on-going care from staff. Family members who have any questions should contact North Haven Manor at 535-0835 and ask to talk with the nurse in charge.

Visitors are asked to wash their hands at the provided hand sanitation station upon entry and exit of the building. Individuals with symptoms of nausea, vomiting and/or diarrhea are asked not to visit any health care facility.

The public's cooperation is requested as we implement these precautions to prevent the further spread of this virus.
