Full Visitation Restrictions at Baie Verte Peninsula Health Centre

Due to the presence of Norwalk like illness **full visitation** restrictions are now in place at Baie Verte Peninsula Health Centre.

The needs of residents are being met through ongoing care from staff.

Family members who have any questions should contact Baie Verte Peninsula Health Centre at 532-4281 and ask to talk with the nurse in charge.

The public's cooperation is requested as we put these precautions in place to prevent the further spread of this virus.
