

VENDOR PARTNER NEWS

HEALTH SUPPLY CHAIN DEPARTMENT VISION:

an integrated supply chain model that ensures the right products and services are available at the right place and the right time at the best price to support safe, efficient and effective health care

December 2023

**NL Health
Services**

HOLIDAY HOURS REMINDER

Vendors are asked to please take note that all provincial health sites will be closed to deliveries on the following dates:

- **December 25, 2023**
- **December 26, 2023**
- **January 1, 2024**

Should vendors require any specific order and/or delivery instructions for the week, please contact your respective Buyer and/or site Inventory Manager. Vendors are also encouraged to provide their own holiday schedules to their NLHS Buyer, Inventory and/or Vendor Management team.

HOLIDAY GREETINGS

As another calendar year draws to a close, we would like to offer our sincerest gratitude to our thousands of vendors who have been a part of our Provincial Health Supply Chain in 2023. Collectively, we have all continued to face many challenges in the global supply chain from material scarcity, manufacturing delays, recalls, and transportation woes, to inflationary pressures and organization transformations. Our vision as a Provincial Health Supply Chain Department is to ensure the right products and services are available at the right place and the right time at the best price to support safe, efficient and effective health care to our patients, clients and residents. We want to convey our appreciation to our vendors, manufacturers, distributors, contractors, and transportation and logistics providers who help us deliver this vision every day. Undoubtedly, we will face more unique challenges in 2024, and we continue to rely on you, our trusted partners, for your continued support so we can continue to provide safe and efficient care to the people of Newfoundland and Labrador.

Wishing you all a safe and happy Holiday Season and all the very best for a healthy and prosperous 2024!
