Step 2:

Once you have registered on the home page click "Submit" and the next window will appear. Choose **"My Education"** on the left side menu:

The screenshot displays the user interface for IPAC (Infection Prevention and Control Canada) and PCI (Prevention of cardiac and stroke in election Canada). The header includes the logos for both organizations. Below the header, a blue navigation bar shows the user's name "Welcome bla gushue" and links for "Account" and "Logout". A left-hand navigation menu contains the following items: "Home", "Welcome", "Catalogue", "My Education" (circled in red), and "My Results". The main content area contains a welcome message: "Thank you for joining us. Simply click on the course catalog to see the list of available courses. Click on **My Courses** to see the list of courses you are already enrolled in and click on **Take this Course** to begin it. Please choose a menu option on the left."

Step 3:

Click on **“My Education”** and the next window will appear. Choose **“Hand Hygiene”** and **“Take this Course”**:

The screenshot shows the ipac pci user interface. At the top left, the ipac pci logo is displayed with the text 'Infection Prevention and Control Canada' and 'Prévention et contrôle des infections Canada'. Below the logo, a navigation bar contains 'Welcome lola gushue' and 'Account Logout'. A sidebar on the left has links for 'Home', 'Welcome', 'Catalogue', 'My Education', and 'My Results'. The main content area features a table with the following data:

Title	Course Code	Mandatory	Date Completed	Certificate Numb	Completed	Action
Hand Hygiene	CPS004	⚡			...	Take this Course
Hygiene des Mains(French)	CPS005	⚡			...	Take this Course

Step 4:

Click **"Take this Course"** and the **"Start Course"** screen will appear:

Step 5:

Once you complete the course a certificate will automatically generate at the end. You may also access this certificate under **"My Results"** on the left side menu. Print and forward to manager.
