December 2022

TRANSPORTATION OF DANGEROUS GOODS

As a follow up to our September newsletter (located [here](#)), this is a reminder for those vendors who have been asked via email to provide proof of certification of Transportation of Dangerous Goods training to please send to vendor.credentials@centralhealth.nl.ca.

HOLIDAY HOURS

Vendors are asked to please take that all provincial health sites will be closed to deliveries on the following dates:

- December 26, 2022
- December 27, 2022
- January 2, 2023

Should vendors require any specific order and/or delivery instructions for the week, please contact your respective Buyer and/or site Inventory Manager.

HOLIDAY GREETINGS

We would like to offer our sincere gratitude to the thousands (yes, thousands!) of vendors who have been a part of our Provincial Health Supply Chain in 2022. We recognize that many of you as well as your own manufacturers and vendors have faced unprecedented global supply chain challenges in recent times. As our purchasing health organizations have witnessed, 2022 has been “year of the backorder” and as our vendors you have undoubtedly been working hard behind the scenes to ensure our patients, clients, residents and staff receive the right product, to the right place, at the right time. The global supply chain battle is not over yet, so we ask you, our trusted partners, for your continued support so we can continue to provide safe and efficient care to the people of Newfoundland and Labrador.

Wishing you all a safe and happy Holiday Season and all the very best for a healthy and prosperous 2023!

“Our modern world places such heavy demands on our time and attention that the need to remember our responsibilities to others is greater than ever.”
