1. Central Health acknowledges and respects the privacy of individuals. Personal health information is disclosed in accordance with the *Personal Health Information Act, SNL2008 cP-7.01*. The information collected on this form will be used for processing your request for disclosure of personal health information.
2. The authorization must contain a valid signature of the client or representative (as defined by section 7 of the *Personal Health Information Act, SNL2008 cP-7.01*).
3. The authorization must be submitted to Central Health within 60 days of dated signature. The authorization may be revoked in writing at any time, except where disclosure has occurred based on the current signed authorization.
4. As required, copies of supporting documents may be requested to support authorized disclosure of personal health information.
